

2018-2019 School, District, and State Report Cards

The Florida Department of Education is pleased to announce the release of the 2018-2019 School, District, and State Report Cards in the EduData Portal (<http://edudata.fldoe.org>).

These report cards serve as a valuable resource for parents, educators and stakeholders by offering greater transparency into how Florida's districts and schools are doing regarding student achievement and success. It not only provides the 2018-2019 performance data, but also contains a State Report Card, educator qualifications and equity, per-pupil expenditures, and national data.

The department will continue to update information in the report cards as new data becomes available, as well as develop new enhancements based on user feedback received through the portal. News and updates about ongoing enhancements will be provided to those who subscribe through the portal.

If you need assistance accessing or navigating the EduData Portal, please contact Walton Academy's Title I Contact, Heather Richardson, at (850) 892-3999.
